reverse printing and high resolution print output with gray scale capability for photographs. You have greater design freedom and the ability to produce visuals with outstanding clarity from originals that are up to 8 1/2" x 6 1/2 feet long.

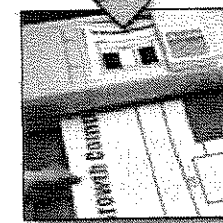

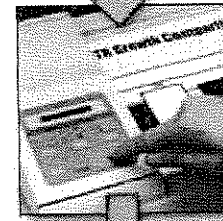

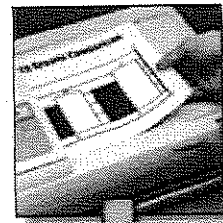

Visuals help facilitate retention of information, improve learning, keep meetings on track, and give the presenter more credibility. The Prolmage XL3000 PosterPrinter can create large, professional-looking visuals in as little as 60 seconds.

Cost effective presentation visuals can be created by scanning your original, or printing directly from your PC. The Prolmage XL3000 PosterPrinter can use paper roll sizes of 17, 23, 29 and 36 inch widths for printing text, graphics or photos that deliver your message effectively.

Put the Prolmage XL3000 PosterPrinter to work creating:

- Safety posters
- Directional signs
- Banners
- Teaching materials
- Meeting agendas
- Retail / sales signs
- Flip charts
- Promotional materials
- Motivational posters and banners

A convenient carrier sheet allows you to enlarge smaller documents and photos. With its LCD display and controls on top of the machine, the Prolmage is very easy to use.
