RECOMMENDED ACTION AND JUSTIFICATION:

Make a determination that public convenience or necessity would be served by the transfer of an off sale beer and wine license to the Greeley Hill Market; Authorize the Chairman of the Board of Supervisors to sign the Department of Alcoholic Beverage Control application. MRF Properties, LLC is in the process of re-opening the Greeley Hill Market. The new owners wish to sell beer and wine at the market and have applied to transfer an existing license to their store. Because there are already more than the prescribed number of off-sale beer and wine licenses within the census tract, Business and Professions Code Section 23958.4(b)(2), requires that your Board determine that public convenience or necessity would be served by the issuance of the license.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

None.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

If your Board does not determine that public convenience or necessity would be served, the owners would be unable to obtain a license. Consequently, they would not be allowed to sell any alcoholic beverages.
