RESOLUTION 06-445

THE BOARD OF SUPERVISORS OF MARIPOSA COUNTY, CALIFORNIA

ADOPTED THIS Order on September 19, 2006

ACTION AND VOTE:

11:30 a.m. Discussion and Possible Further Action Regarding Continuation of the Local Emergency Due to Landslides on Highway 140 Enroute to Yosemite National Park (County Counsel/Interim County Administrative Officer)

BOARD ACTION: Chairman Stetson advised of his conversation with the Park Service and CalTrans on Thursday and he said that there is nothing new to report from the last Board meeting. Supervisor Pickard asked that since vehicles over 28-feet can not negotiate the bridges, about the continuity of the transportation systems such as YARTS and the school buses. Chairman Stetson advised that YARTS is driving around with the long buses; however, they can access Highway 140 with the shorter buses, and they are still looking at trying to acquire shorter buses that will accommodate the luggage requirements. YARTS has been unable to accommodate all of the people. He advised that the School District parks the larger bus and transports the remaining students on the other side with a smaller bus. Supervisor Turpin advised of a response received from Dinah Bortner/CalTrans Office that they plan to evaluate the sign situation on Highways 59 and 132 by the end of the month. (M)Pickard, (S)Bibby, Res. 06-445 was adopted finding the local emergency due to the landslides on Highway 140 enroute to Yosemite National Park continues to exist, and continuing the local emergency based on the findings/Ayes: Unanimous.
