RECOMMENDED ACTION AND JUSTIFICATION:

Recommend authorizing deleting the position of Yosemite National Park Fire representative from the Mariposa County Emergency Medical Care Committee.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

After the Arch Rock Fire, it was recommended to the Board that a representative of Yosemite Fire (the Chief of Yosemite Fire) be added to the Emergency Medical Care Committee. For the past several years however, there has been no need for that representation. In fact the representation has not occurred. Mr. Tollefson, Superintendent of the Park, has agreed that we may delete this position from the Emergency Medical Care Committee and that action is recommended to facilitate the Committee obtaining a quorum. Representation from Yosemite Fire is not necessary to the function of Emergency Medical Care Committee except in rare circumstances. The EMCC can always invite a technical representative and guest whenever necessary for any given topic and that would, of course, include the representatives of Fire Service of Yosemite National Park.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Mariposa County will be under represented in the policy formulating body of the Regional Emergency Medical Services Agency.
