Child Support Services

PHONE: 966-3400

RECOMMENDED ACTION AND JUSTIFICATION:

Authorize the Chairman to sign agreement with Wire One Technologies to provide installation equipment and services to reconnect the Department's Video Conferencing Equipment and authorize the Auditor to pay for services from Wire One Technologies.

BACKGROUND AND HISTORY OF BOARD ACTIONS

The Board previously authorized connection of the Department's video conferencing equipment. However, due to budget cuts and the lack of available video conferencing trainings the previous service was discontinued. With the changes in the Child Support System statewide and the increase of trainings provided through video conferencing it now appears cost effective to re-connect. The State is also providing additional funding for the increased training needs.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

If not approved staff will have to travel out of town for trainings at increased cost and down time for the office
