RECOMMENDED ACTION AND JUSTIFICATION: Request review and approval of service contract with Merced Mobile Communications for radio equipment maintenance and repair services.

The Mariposa County Sheriff's Office has utilized Merced Mobile Communication for radio equipment maintenance and repair services for more than twenty-five years. Despite the fact that the Mariposa County Sheriff's Office has been billed monthly by Merced Mobile Communications for equipment maintenance, a formal contract has never been drafted. The sheriff's office is requesting approval of a service contract with Merced Mobile Communications that will clearly define the services that will be provided and the monthly cost for those services. The proposed agreement will expire on June 30, 2006 and be renewable on an annual basis.

BACKGROUND AND HISTORY OF BOARD ACTIONS: No previous contract exists between the sheriff's office and Merced Mobile Communications.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION: Even without a contract Merced Mobile Communications will continue to provide services to the sheriff's office, however the contract will ensure that the cost for those services remains unchanged for the duration of the contract.
