RECOMMENDED ACTION AND JUSTIFICATION:

Authorize Bickmore Risk Services to perform an actuarial study of the County's Excess Liability and Excess Workers' Compensation Programs. Because the County is a member of the CSAC Excess Insurance Authority (EIA), we are required to obtain an actuarial study for each program to ensure that they are adequately funded. CSAC-EIA has been able to negotiate a pricing agreement with Bickmore Risk Services for all member counties' studies. The cost for a full review is \$4,000 for the Excess Liability Program and \$4,000 for the Excess Worker's Comp Program. The EIA will reimburse the County \$2,000 towards the cost of each study (total amount reimbursed - \$4,000).

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board has previously authorized that actuarial studies be conducted for both the Excess Liability and Excess Workers' Comp programs as required by the EIA.
