RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes ___ No X)

Resolution to award the contract for re-roofing the airport terminal building, PW 95-13, to Mari Construction of Mariposa, the low bidder; and authorize additional funding from the Airport Taxiway Fund.

Originally there were four alternative roofing systems considered including three alternatives for flat roofs. However, based on final analysis, only the truss alternative was included in the final bid specifications. The existing roof has internal down-drains and topology that made the flat roof alternatives unsatisfactory or very expensive. The project, as bid, provides for installation of 4:12 trusses and a 30-year composition shingle roof. The three bids received ranged from \$15,800 to \$33,500.

The Board approved total funding of \$10,000 for this project in the FY 95/96 budget. The anticipated total project cost is \$18,600, which includes a 5% contingency and \$2,000 for engineering, construction administration, inspection and permits, in addition to the construction bid of \$15,800. Public Works recommends that the additional required \$8,600 be transferred from the Airport Taxiway Fund.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board approved plans and specifications on November 14, 1995 and authorized the bidding for this project.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

No action will delay completion of this project. This roof is leaking quite severely.
