RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes___ No_X_)

Resolution authorizing Public Works to purchase a used 4,000-pound forklift with 36" forks and a 12-foot two-stage vertical lift. Total cost would be \$1,982, including tax and delivery.

The forklift is urgently needed to move heavy items in the shop area and the yard. Currently, we have to "jerry-rig" in order to unload trucks and move items. This purchase would allow us to safely move heavy or bulky items.

This equipment is currently available and has been completely inspected by Fleet mechanics and found to be in excellent condition.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

In the past, the Board has approved purchases of used equipment when it has been in the best interest of the County.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

- 1. Do not purchase this equipment, and continue using unsafe or unconventional methods of moving large items.
