

DEPARTMENT: Public Works

By: Thomas J. Starling Phone: 966-5356
Solid Waste Coordinator

RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes__ No_X)

Resolution approving and authorization for the Public Works Director to sign Contract Change Order #13 with Total Waste Systems to provide water/leachate transportation from the Mariposa Landfill to Mariposa Public Utility District (MPUD) for disposal.

At the request of the Public Works Department, Total Waste Systems has been collecting and transporting the water/leachate to MPUD for processing through its wastewater treatment plant. The water/leachate is collected at the Mariposa Landfill through the landfill's leachate collection system and stored in a 10,000 gallon on-site holding tank. To comply with State regulations, the water/leachate is transferred to MPUD when the tank is nearly full.

Total Waste Systems will collect and transfer the water/leachate to MPUD for \$130 per load (approximately 3,000 gallons) with annual adjustments based on the Consumer Price Index-U.S. City Average, normally effective July 1 of each calendar year.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board has authorized numerous change orders with Total Waste Systems in the past.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

- 1) Require Public Works to prepare a formal bid package and go out to bid. This would delay the process and add to the cost of the water/leachate collection and transportation as well as being a threat to human health and safety.
- 2) Direct Public Works staff and equipment to collect and transport the water/leachate a greater cost.

COSTS: () Not Applicable

A. Budgeted current FY \$43,339*

B. Total anticipated costs \$5,000

C. Required additional funding \$

D. Internal transfers \$

**CONTRACT CHANGE ORDER #13
SPECIFICATIONS FOR OPERATION OF
MARIPOSA LANDFILL
PROJECT #89-14**

The following change in the contract is hereby made and agreed to by both parties to the contract as witnessed by their signatures to the CONTRACT CHANGE ORDER #13.

Page GC-23 In accordance with the provisions of Section 10-4 Extra Work and Work Omitted the following extra work is authorized.

Total Waste Systems shall remove, when necessary, the water/leachate from leachate holding tank at the Mariposa County Landfill and transport same to the vault-type holding tank at the Mariposa Public Utility District's (MPUD) plant or to a location mutually agreed to by Total Waste Systems and MPUD.

Mariposa County agrees to pay Total Waste Systems \$130.00 per load (approximately 3,000 gallons) subject to an annual increase effective July 1 each year based upon the Consumer Price Index-U.S. City Average published for the month of February. Total Waste Systems will bill the Mariposa County Department of Public Works on a monthly basis for any loads of water/leachate transported to the MPUD plant in the prior month and the Public Works Department will pay Total Waste Systems within thirty (30) days of the bill's receipt.

The effective date of the change order shall be March 31, 1996.
