MARIPOSA COUNTY BOARD OF SUPERVISORS

MINUTE ORDER

TO: MIKE EDWARDS, PUBLIC WORKS DIRECTOR

FROM: MARGIE WILLIAMS, Clerk of the Board 

SUBJECT: BANNER ENCROACHMENT PERMIT FOR FISH CAMP VOLUNTEER
FIRE DEPARTMENT FUNDRAISER
RESOLUTION NO. 96-348

THE BOARD OF SUPERVISORS OF MARIPOSA COUNTY, CALIFORNIA,

ADOPTED THIS Order on August 13, 1996

ACTION AND VOTE:

2:29 p.m. Donn Harter;
Request by Fish Camp Fire Rescue Engine Company #33 and Auxiliary to Reconsider Hanging their Banner Across the Highway
BOARD ACTION: (M)Taber, (S)Stewart, Res. 96-348 adopted directing Public Works to apply for an encroachment permit for the banner for this function. Discussion was held concerning this matter and the action taken by the Board last year. Donn Harter advised that he felt he could obtain a rider to his insurance coverage for Thunder Ridge Company for hanging the banner and requested that authorization also be given for next year to meet the permit processing timeframes; and it was clarified that the banner could be installed at no cost to the County. Motion was amended, agreeable with maker and second, to include direction that a rider from the insurance company be obtained for hanging and removing the banner, holding the County harmless, subject to the approval of County Counsel, for each year of the event. Mike Edwards/Public Works Director, responded to question from the Board relative to the permit application process. Ayes: Unanimous.

Dear Supervisor Taber,

The annual permit for the Fish Camp Volunteer Fire Department, fund raising Bar-B-Que is being filed.

On behalf of the Fish Camp Volunteers, I am requesting that the Board of Supervisors recognize this annual event and waive any fees for endorsing the county's liability insurance to cover this event to be held on Sunday, September 1, 1996 at Camp Green Meadows. This will be the Labor Day Weekend. I understand that the resolution is no longer necessary since the Board of Supervisors voted to make this a standing, recognized event each year.

Under separate cover, I am making request to Public Works Director, Mike Edwards to file for a permit with Cal-Trans to hang our Bar-B-Que banner across Highway 41 three weeks prior to the event.

If you have any questions, please call me at 683-2521.

Thanking You in Advance,

A handwritten signature in black ink, appearing to read "Donn Harter".

Donn Harter, Chairman

NOTE TO THE BOARD -

Based on an August 5 conversation with Mr. Robert Keller, since the Board designated this event as an Annual County Event last year, the principal purpose for this letter is to request the Board to reconsider its direction last year that in future years the banner promoting this event not be placed across the highway.

Dear Mike,

The time has come again to make request for assistance in obtaining a permit from Cal-Trans and arranging to hang the Fish Camp Fire Volunteer, Bar-B-Que banner across Highway 41.

The Bar-B-Que is scheduled for Sunday, September 1, 1996 (the Labor Day weekend). We would like to have the banner hung by Friday, August 12, 1996. Cal-Trans allows a 30 day period. If the banner is taken down during the week following Labor Day, this would be within that time frame.

The bottom of the banner must be no less than 18' above the roadway.

I would assist the County by offering to hang and remove the banner, at no charge. The work would be contracted with Thunder Ridge Co. and the County of Mariposa. Thunder Ridge Co. is insured and licensed to perform highway maintenance for the County and a current certificate of insurance is on file with the Dept. of Public Works. Furthermore, Thunder Ridge Co. does perform safe road closures and safety controls during the performance of snow removal during the winter months.

Respectfully Submitted,

 Donn Hartel, Chairman
