RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes ___ No x)

Recommend resolution authorizing the Chairman to sign the Standard Agreement with California Department of Health Services (CDHS), Local Public Health Services Section (LLPHSS), for Local Assistance Block Grant (AIDS) in the amount of \$6,900, for AIDS Testing in the amount of \$5,400, and for immunization in the amount of \$10,096 for Fiscal Year 1994-1995. The immunization funds are to be used to improve public immunization, clinic accessibility and increase immunization levels of preschool-age children in Mariposa County. The State CDHS, in preparing these documents and in an effort to save time, has combined the Local Assistance Block Grant, AIDS Testing funds, and Immunization funds into one contract.

The amount of funds budgeted this fiscal year is different from the contract amount because part of this funding is calendar year and part is fiscal year.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

By Resolution 95-60, the Board of Supervisors authorized, and the Chairman signed a similar agreement for this Fiscal Year. However, the State did not process that agreement. Instead, they increased the amount available for AIDS testing (from \$2,000 to \$5,400) and sent us this revised agreement. The Health Department will not require the full \$5,400 for reimbursement, however (only \$15,4372 has been authorized by the Board).
