RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes___ No X)

Authorize the Department of Public Works' intent to advertise for bids for L.P. gas heating fuel for the County facilities. This action is necessary because the County's application to tag-on to the State L.P. fuel bid was denied.

Bids will be advertised the weeks of July 27 and August 3. The bid period will be closed and bids will be opened on Monday, August 7 at 10:00 a.m. at the Department of Public Works office.

The recommended contract period for the successful bidder will be in effect from September 1, 1995 to June 30, 1998.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

Advertising for bids is made per Mariposa County Ordinance No. 761, which requires notice to the Board of the proposed time and place of the opening of bids.

Per Resolution 94-09, the Board awarded the present County contract to Pro-Flame Gas Company for the period of January 1, 1994, to June 30, 1995. Per Resolution 95-182 the contract was extended through August 1995 to accomodate the County application to tag on to the State contract for L.P. fuel.
