RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes ___ No X)

Public Works recommends that the Board authorize the purchase of two new 1996 Chevrolet Caprice police sedans through a "tag-on" to the Los Angeles County Police Department Bid No. R-248, awarded to Wondries Chevrolet. This would allow Mariposa County to purchase at a significant cost savings through a volume discount. The cost of the vehicles is approximately \$19,738 each, including tax. Pending Board approval, the vehicles will be manufactured in January, 1996. The cost of the emergency equipment is approximately \$4,400 each and is in addition to the vehicle pricing.

The new vehicles will replace units SO-42 (a 1988 Chevrolet sedan with 143,000 miles) and SO-52 (a 1991 Chevrolet sedan with 135,000 miles). These vehicles will be sold at a later date.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board has previously approved purchases through a tag-on with other county bids for a greater savings to Mariposa County. The previous tag-on for police vehicles was December 6, 1994, Res. No. 94-507.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

- 1. Do not approve the "tag-on" purchase and go through the formal bid process. Prices will be higher and availability questionable.
