

MARIPOSA COUNTY RESOLUTION NO. 89-175

A RESOLUTION REQUESTING FEDERAL FUNDING FOR THE SAN JOAQUIN VALLEYWIDE  
AIR POLLUTION STUDY AGENCY

WHEREAS, the San Joaquin Valleywide Air Pollution Study Agency has been formed to design, plan and implement an ozone and air pollution research study which will set the ground work for long term anti-smog efforts in the San Joaquin Valley of California; and

WHEREAS, funding for the \$9 million study is to be provided by a co-equal partnership between the Federal, State and local/private sources; and

WHEREAS, the House of Representatives included \$3 million in its appropriation bill for FY 1989; and

WHEREAS, the Senate did not include funding for the study in FY 1989, but in conference committee \$1 million was appropriated with a recognition that the entire \$3 million was needed; and

WHEREAS, it is imperative the remaining \$2 million of Federal funds be in the Joint Powers Agency account by early 1990 so the most critical and expensive field data collection phase can be done the summer of 1990,

NOW THEREFORE, BE IT RESOLVED that the Mariposa County Board of Supervisors, a political subdivision of the State of California, joins with the California counties of Tulare, Kings, Madera, Fresno, Merced, Stanislaus, and San Joaquin in calling upon the House of Representatives to provide the \$2 million as an augmentation to the Environmental Protection Agency budget for FY 1990, thereby making certain this important scientific study is completed on a timely basis without delay and increased cost.

BE IT FURTHER RESOLVED, that the Mariposa County Board of Supervisors supports this significant cooperative environmental project so that further effective emission control strategies can be determined and clean air requirements can be met.

BE IT FURTHER RESOLVED, that the Clerk of the Board is hereby authorized and directed to send a copy of this resolution to the following: Senator Alan Cranston, Senator Pete Wilson, Congressman Bill Thomas, Congressman Tony Coelho, Congressman Richard Lehman, Congressman Charles Pashayan, Congressman Norm Shumway, and the counties of Fresno, Kings, Madera, Merced, San Joaquin, Stanislaus and Tulare.
