RESOLUTION - ACTION REQUESTED 2018-34

MEETING: January 23, 2018
TO: The Board of Supervisors
FROM: Steve Dahlem, County Counsel - Interim Human Resources Director
RE: Appoint Dallin Kimble as Interim Technical Services Director

RECOMMENDATION AND JUSTIFICATION:

Appoint Dallin Kimble as the Acting Technical Services Director effective immediately.

Technical Services Director Rick Peresan retired effective December 30, 2017. The Board has expressed a desire to take this opportunity to review the existing structure of the department as well as its County-wide goals for information technology and systems within the County. Once a strategic plan has been developed and a possible new structure is identified that will support the County's goals, there is a potential that a director or manager position will oversee the department.

In the meantime, staff recommends that Dallin Kimble, who currently serves as the County Administrative Officer, is appointed as the Acting Technical Services Director effective immediately. Mr. Kimble has indicated he is willing to temporarily assume the Director duties at this time. Mr. Kimble will receive a 10% increase in salary 30 days after the effective date of this appointment pursuant to the Board's existing policy.

For the period of time that the Director position has been vacant to the effective date of Mr. Kimble's acting appointment, a senior employee in the Technical Services Department will receive out-of-class pay pursuant to the governing Memorandum of Understanding.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board of Supervisors has previously approved acting assignments.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

The Board may select a candidate other than Mr. Kimble.
