RESOLUTION - ACTION REQUESTED 2018-88

MEETING: March 6, 2018

TO: The Board of Supervisors

FROM: Chevon Kothari, Human Services Director

RE: Alliance for Community Transformations Agreement to Manage Leased Units for the CoC Grant

RECOMMENDATION AND JUSTIFICATION:

Approve an Agreement with the Alliance for Community Transformations to locate and manage leased housing units and to provide client supportive services in an amount not to exceed \$75,300; and authorize the Board of Supervisors Chair to sign the Agreement.

The Human Services Department wishes to contract with the Alliance for Community Transformations (Alliance) to assist with the implementation of the "Mariposa County Human Services Housing Program," a new program funded by a Department of Housing and Urban Development (HUD) Continuum of Care Grant.

Under this Agreement, Alliance will locate and manage the leased housing units, actively participate on the supportive services team, and provide supportive services from their existing programs, when applicable to a participant's needs. The Alliance provides a variety of services including: domestic and sexual violence services (including emergency shelter and transitional housing), substance use recovery support, offender services, and a Wellness Center for individuals experiencing mental illness, substance abuse and homelessness.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board of Supervisors approved the previous agreement on the December 20, 2016, resolution number 2016-665.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

If this Agreement is not approved, Mariposa County will be unable to fully comply with the Continuum of Care grant terms and may forfeit the opportunity to receive funding for the new project that could provide permanent supportive housing to persons with mental or physical disabilities.

FINANCIAL IMPACT:

This costs for this Agreement will be paid by \$59,740 in grant funds (budget 352-0505) and \$15,560 in matching funds from the MHSA Innovation fund (410-0439). The grant award was anticipated and included in the FY17-18 budget. There is no impact to the County General Fund.
