## RESOLUTION - ACTION REQUESTED 2018-277

MEETING: June 12, 2018  
TO: The Board of Supervisors  
FROM: Doug Binnewies, Sheriff-Coroner-Public Administrator  
RE: Approve FY18-19 Contract for Services with Ambrosini Helicopters Inc.

---

### **RECOMMENDATION AND JUSTIFICATION:**

Approve an Agreement with Ambrosini Helicopters Inc. for the purpose of locating and eradicating illegal marijuana contraband in Mariposa County in the not-to-exceed amount of \$20,000; and authorize the Board of Supervisors Chair to sign the Agreement.

The Sheriff's Office has been working with Ambrosini Helicopters since 2007 to conduct spotting over-flights and marijuana investigation and eradication.

Ambrosini Helicopters' services are crucial to the Sheriff's mission as it allows access to remote areas of Mariposa County that are typically used to illegally cultivate marijuana. These wilderness marijuana sites are an identified public safety threat as well as known to damage our public land resources. This contract is needed to prevent marijuana sites in the County from going undetected, and allowing contraband to be distributed into the community and surrounding jurisdictions. These points justify the investigation and eradication of illegal marijuana cultivation in our rural areas.

### **BACKGROUND AND HISTORY OF BOARD ACTIONS:**

The Board has previously approved similar agreements to help with drug enforcement.

### **ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:**

Do not approve the Agreement. Sheriff personnel may be put at further risk as contraband would have to be carried out of remote and rugged terrain by deputies versus the use of a helicopter.

### **FINANCIAL IMPACT:**

**No financial impact to the General Fund as the expense is offset from Department of Justice (DOJ) Drug Enforcement Administration (DEA) grant funding. Fund 439 was established to account for the revenue and expenditures related to identifying and erradicating illegal marijuana grows and has been budgeted appropriately in the Fiscal Year 2018/2019 Requested Budget.**

**3. COMPENSATION**

Contractor shall be compensated for services performed in an amount not to exceed \$20,000.00. The Contractor’s hourly rates are listed in Exhibit B, “Cost Proposal.” The County shall pay Contractor within thirty (30) days of receipt of an approved invoice.

**4. INSURANCE**

Contractor shall procure and maintain for the duration of the agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, or employees.

**A. MINIMUM SCOPE AND LIMIT OF INSURANCE**

Coverage shall be at least as broad as:

(1) Commercial General Liability (CGL): Insurance Services Office (ISO) Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury and personal and advertising injury with limits no less than \$2,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

(2) Automobile Liability: ISO Form Number CA 00 01 covering any auto, (Code 1), or if Contractor has no owned autos, hired (Code 8) and non-owned autos (Code 9), with limits no less than \$1,000,000 per accident for bodily injury and property damage.

(3) Workers' Compensation insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$2,000,000 per accident for bodily injury or disease.

(4) Professional Liability (Errors and Omissions) Insurance appropriate to the Contractor's profession, with limit no less than \$1,000,000 per occurrence or claim, \$2,000,000 aggregate. If the Contractor maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

(5) Aircraft Liability Insurance: During the term of this Contract Contractor shall obtain and keep in full force and effect Aviation Liability Insurance on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal injury with limits no less than \$10,000,000 per occurrence, and \$10,000,000 in the aggregate.

#### B. OTHER INSURANCE PROVISIONS

The insurance policies are to contain, or be endorsed to contain, the following provision:

(1) Additional Insured Status: The County, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 forms if a later edition is used).

(2) Primary Coverage: For any claims related to this Agreement, the Contractor's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.

(3) Notice of Cancellation: Each insurance policy required above shall state that coverage shall not be canceled, except with notice to the County.

(4) Waiver of Subrogation: Contractor hereby grants to County a waiver of any right to subrogation which any insurer of said Contractor may acquire against the County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.

(5) Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by the Entity. The Entity may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

(6) Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the County.

(7) Verification of Coverage: Contractor shall furnish the County with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the County before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

(8) Subcontractors: Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors.

(9) Special Risks or Circumstances: County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

## **5. HOLD HARMLESS/INDEMNIFICATION**

To the fullest extent permitted by law, Contractor shall hold harmless, defend at its own expense, and indemnify Entity its officers, employees, agents, and volunteers, against any and all liability, claims, losses, damages, or expenses, including reasonable attorney's fees, arising from all acts or omissions to act of contractor or its officers, agents, or employees in rendering services under this contract; excluding, however, such liability, claims, losses, damages, or expenses arising from Entity's sole negligence or willful acts.

## **6. INDEPENDENT CONTRACTOR**

It is the expressed intention of the parties that Contractor is an independent contractor and not an employee, agent, joint venturer or partner of County. Nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee between County and Contractor or any employee or agent of Contractor. Both parties acknowledge that Contractor is not an employee for state or federal tax purposes. Contractor shall retain the right to perform services for others during the term of this Agreement.

## **7. PUBLIC EMPLOYEES RETIREMENT SYSTEM (CALPERS)**

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement is determined by a court of competent jurisdiction or the Public

Employees Retirement System (CalPERS) to be eligible for enrollment in CalPERS as an employee of the County, Contractor shall indemnify, defend, and hold harmless County for the payment of any employee and/or employer contributions for CalPERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County.

## 8. STATE AND FEDERAL TAXES

As Contractor is not County's employee, Contractor is responsible for paying all required state and federal taxes. In particular:

- a. County will not withhold FICA (Social Security) from Contractor's payments;
- b. County will not make state or federal unemployment insurance contributions on behalf of Contractor;

## **14. ENFORCEABILITY AND SEVERABILITY**

The invalidity or enforceability of any term or provisions of this Agreement shall not, unless otherwise specified, affect the validity or enforceability of any other term or provision, which shall remain in full force and effect.

## **15. TERMINATION AND RIGHTS UPON TERMINATION**

A. This Agreement may be terminated upon mutual written consent of the parties, or as a remedy available at law or in equity. In the event of the termination of this Agreement, Contractor shall immediately be paid all fees earned as of the effective date of termination.

B. Either party may terminate this Agreement for convenience upon ten (10) calendar days' written notice to the other party. Upon termination for convenience, Contractor shall be entitled to compensation for services performed acceptably up to the effective date of termination, as set forth in Exhibit B.

Should Contractor default in the performance of this Agreement or materially breach any of its provisions, County, at its option, may terminate this Agreement by giving written notification to Contractor. The termination date shall be the effective date of the notice. For the purposes of this subsection, default or material breach of this Agreement shall include, but not be limited to, any of the following: failure to perform required services in a timely manner, willful destruction of County property, dishonesty, or theft.

**16. NO WAIVER**

The failure to exercise any right to enforce any remedy contained in this Agreement shall not operate as to be construed to be a waiver or relinquishment of the exercise of such right or remedy, or of any other right or remedy herein contained.

**17. DISPUTES**

Should it become necessary for a party to this Agreement to enforce any of the provisions hereof, the prevailing party in any claim or action shall be entitled to reimbursement for all expenses so incurred, including reasonable attorney's fees.

It is agreed by the parties hereto that unless otherwise expressly waived by them, any action brought to enforce any of the provisions hereof or for declaratory relief hereunder shall be filed and remain in a court of competent jurisdiction in the County of Mariposa, State of California.

**22. COUNTERPARTS**

This Agreement may be executed simultaneously and in several counterparts, each of which shall be deemed an original, but which together shall constitute one and the same instrument.

**23. OTHER DOCUMENTS**

The parties agree that they shall cooperate in good faith to accomplish the object of this Agreement and, to that end, agree to execute and deliver such other and further instruments and documents as may be necessary and convenient to the fulfillment of these purposes.

County has relied upon the professional ability and training of Contractor as a material inducement to enter into this Agreement. Contractor hereby warrants that all work shall be performed in accordance with generally accepted professional practices and standards as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of Contractor's work by County shall not operate as a waiver or release.

**29. FUNDING AVAILABILITY**

It is mutually agreed that if the County budget of the current fiscal year and/or any subsequent fiscal years covered under this Agreement does not appropriate sufficient funds for this Agreement, this Agreement shall be of no further force and effect. In this event, the County shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement. Contractor's assumption of risk of possible non-appropriation is part of the consideration for this Agreement. County budget decisions are subject to the discretion of the Board of Supervisors.

If funding for any fiscal year is reduced or deleted by the County budget for purposes of this Agreement, the County shall have the option to either cancel this Agreement with no liability occurring to the County, or offer an Agreement amendment to Contractor to reflect the reduced amount.

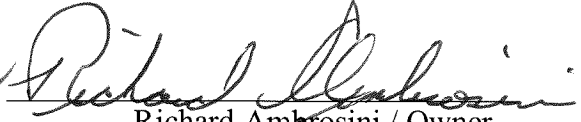

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first written above.
