RESOLUTION - ACTION REQUESTED 2018-389

MEETING: August 7, 2018

TO: The Board of Supervisors

FROM: Mike Healy, Public Works Director

RE: Authorize Change Order #1 with Allison Sierra, Inc. for the Repair of Ranchito Rd.

RECOMMENDATION AND JUSTIFICATION:

Approve Change Order #1 with Allison Sierra, Inc. for the Repair and Permanent Restoration of Ranchito Rd. in the Amount of \$37,000 for a Total Not-to-Exceed Amount of \$297,000; and Authorize the Board of Supervisors Chair to Sign the Change Order.

On March 22, 2018, Mariposa County experienced torrential rains and major flooding caused by an atmospheric river event in our region. County roads and infrastructure sustained significant damage and some areas of the county became isolated due to roads and bridges that were washed out. In many cases, the damage far exceeds the abilities of staff to effect repairs in a prompt and efficient manner. The County has proclaimed and the Board of Supervisors has ratified a local state of emergency for this disaster.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

On April 3, 2018 Resolution 2018-152 the Board authorized the Public Works Director to award Emergency Construction Agreements for work associated with this storm.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not approve, permanent restoration will not be achieved.

FINANCIAL IMPACT:

This project work is a result of the March 2018 Major Storm Event and as such work will be reimbursed at the 75% level with the County being responsible for the remaining 25% of the cost.
