Dear Weatherization Contractor:

Enclosed are five (5) copies of an amendment to your DOE Weatherization Program Contract(s) which extends the termination date from December 31, 1982 to March 31, 1983. The March 31, 1983 date should permit you time enough to utilize the total funds contracted to your agency, and we have notified the DOE that we are projecting a zero carryover balance at March 31, 1983. If you anticipate any problem in attaining a zero unexpended fund balance, please notify this office.

Please return all five (5) copies with original signatures to this office to the attention of Mr. Al Alforque, Contracts/Business Service.

Sincerely,

Alan J. Bengyel, Manager
Weatherization Program
