Subject: Sale of Surplus Property

Ladies & Gentlemen:

I have listed the copy machines surplus to the needs of the County of Mariposa. The Savin 780 has been appraised at \$700 and should be evaluated for use by the County. The six AB Dick machines are in the best condition to be marketed for sale. The 3M-191 and 3M-209 are operational and may be the best candidates to confer on community organizations. There has been interest from two Counties on two of the AB Dick Machines. In addition, the CETA Office, the School District and the Mariposa Nutrition Site are interested in machines. The Nutrition Site has requested a machine at no cost.

Attached to this letter are the appraisals received and some notes on establishing relative value.

I request the Board of Supervisors declare the items listed below as surplus and authorize a salvage sale.
