Mariposa CA - On Wednesday, January 25, 2023 the District Attorney's Office made public current and historic statistics on the Mariposa County website.

These statistics will automatically update throughout the year to display the most up to date data. The statistics are provided by a partnership with Measures for Justice. In an effort to increase transparency within the justice system, the District Attorney's Office has elected to share these statistics with the public to increase awareness and understanding.

The District Attorney's Office thanks Karpel Solutions for making this a possibility.
