PHONE: 966-3222

**RECOMMENDED ACTION AND JUSTIFICATION:**

Accept the donation of a BBQ for community use at the McCay Hall in Catheys Valley from the Mariposa County FFA; Authorize payment of \$300 to the Mariposa County FFA program to help offset the costs of the materials used to construct the BBQ; Approve Certificates of Appreciation to Josh Guenthart, Garrett Wass, and A.J. Hall for their work in constructing the BBQ. Members of the Mariposa FFA noticed that the existing BBQ used for community events at McCay Hall was beginning to deteriorate and elected to construct a BBQ to donate to the County. McCay Hall is used very frequently for community/family events and having a large BBQ available is very beneficial. The BBQ will be delivered to McCay Hall on Wednesday, May 27, 2009, at 11 AM, if the public or Board members wish to attend and thank the Mariposa FFA for their donation.

The Mariposa FFA program did not ask for any type of reimbursement, but a small payment to this valuable program would help to offset the costs of materials. There is currently \$300 of unused money in the District 3 travel line item that could be used for this purpose.

The three FFA members took it upon themselves to fulfill a need they saw in the community and a Certificate of Appreciation is appropriate recognition for their generosity.

**BACKGROUND AND HISTORY OF BOARD ACTIONS:**

The Board has previously accepted donations of items for use at county buildings and facilities. If deemed a benefit to the public, the Board has historically approved funding for specific projects and/or events. The Board has also approved Certificates of Appreciation to individuals/organizations who have given their time and effort to better their community.

**ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:**

Do not accept the donation of the BBQ. The existing BBQ at McCay Hall will continue to deteriorate until it is no longer useful.

Do not approve funding of \$300 to the Mariposa FFA program. The program may have insufficient funding in the next school year to complete as many projects.
