RE: Behavioral Health Contract with Sierra Vista Hospital for
Residential Inpatient Services

Recommendation

It is respectfully requested that your Board: (1) approve continuing a Behavioral Health contract for residential inpatient services with Sierra Vista Hospital: and (2) authorize your Chairman to sign the contract.

Background/Current Situation

This County does not operate inpatient, residential facilities and therefore contracts for such services. The new agreement is substantially similar to the contract currently in place. The contract is summarized below:

| <u>Inpatient Treatment for:</u> | <u>Amount</u> |
|-----------------------------------|---------------|
| Managed/Medi-Cal Beneficiary | \$746.75/day |
| Psychiatrists | \$ 90.00/day |
| Indigent/Short-Doyle/Non-Medi-Cal | \$829.50/day |
| Medi-Cal Administrative Rate | \$388.35/day |

While few clients are served by any one particular facility, multiple contracts are necessary to avoid a situation where a client must be placed but no beds are available to meet the need. Other counties use these same facilities and beds are often difficult to access.

The current contract was approved by your Board on May 27, 2008 by Resolution Number 08-204.

Financial

This contract will continue to be paid within the Mental Health budget unit 0402. Often, client income pays for part of these services, for example through Social Security or MediCal.

There is no impact on the general fund.
