RECOMMENDED ACTION AND JUSTIFICATION:

Approve the assignment of county vehicles and take-home vehicles. Chapter 2.76 of the County Code requires that the Board of Supervisors annually assign county vehicles as well as authorize which vehicles are allowed to be take-home vehicles. There have been no substantive changes to the previous list that the Board of Supervisors approved on October 14, 2009. Minor changes include the addition/deletion of county vehicles, and changes in personnel.

Attached is list of assigned county vehicles indicating if the vehicles are take home or not. Also attached is a justification for having a take home vehicle. There are no recommended changes to the current status of take home vehicles.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board adopted Resolution 08-489 approving the assignment of county vehicles and which vehicles are take home vehicles.

Subject: Take Home Vehicle Justification

Detailed below is the justification for certain positions within county departments being allowed to take county vehicles home.

District Attorney

The take home vehicle is assigned to the District Attorney Investigator who is a sworn law enforcement officer and the vehicle is equipped with safety equipment (emergency lights, sirens, radio, and firearms). This position is subject to being asked to respond to any emergency by either the District Attorney or when requested by other law enforcement agencies. In the event of an officer involved shooting it is necessary for the District Attorney Investigator position to respond immediately to the scene of the incident as a member of the investigation team. Additionally, this position also responds to emergency incidents involving drug labs, murders, and other high profile cases.

Fire

Both the Fire Chief and Deputy Fire Chief positions are on call twenty-four hours a day, seven-days a week to respond to emergencies. The Volunteer Division Chiefs and Battalion Chiefs are not paid county employees, but may have coverage for emergency responses on weekdays, weekends, holidays, and evenings depending on the response schedule determined by the Fire Chief. Two of the Volunteer Division Chief positions are assigned to various areas in the County because of their residences – Fish Camp, Wawona, & Yosemite West; and Greeley Hill, Coulterville, and Don Pedro. The third Volunteer Division Chief has responsibility for all fire investigations. The Volunteer Battalion Chief only take the vehicle home when on duty.

Human Services

There are seven (7) vehicles in the Department that are take home vehicles when the employee is “on call” for incidents that involve Child Protective and Adult Protective Services. Child Welfare and Adult Services Social Workers are required and must be available to respond to incidences after hours as warranted in program regulations. These are rotating shifts of “on call” duty and will vary from week to week between certain employee positions.

Probation

The Chief Probation Officer is taking a vehicle home for emergency responses to the juvenile hall after normal work hours, weekends, and holidays. Other positions within the department may on occasion take a vehicle home when assigned as "on call."

Public Works

The Public Works Director has a take home vehicle as this position attends a variety of meetings during and after normal work hours. Certain emergency situations may also require this level of decision making authority.

The Facilities Maintenance Manager position is assigned a take home vehicle for responding to any county facility, park, or sewer facility emergency or crisis that occurs, whether during normal work hours or after hours, weekends, or holidays. The vehicle assigned to this position is equipped with maintenance equipment.

The Fleet Superintendent position is assigned a take home vehicle for responding to emergency repairs on county vehicles including fire equipment after normal work hours, weekends, and holidays. This position also has the authority to authorize towing and to assign a replacement vehicle for one that is out of service. The vehicle assigned to this position is outfitted with vehicle repair equipment.

The Road Superintendent is assigned a take home vehicle and is available to attend all varieties of road emergencies and/or road problems that may occur after normal work hours and during weekends and holidays. This position receives calls concerning road conditions and many of these calls necessitate travel to the site to ascertain a remedy and notify the appropriate personnel. The vehicle assigned to this position is outfitted with repair and maintenance equipment.

The Maintenance Construction Supervisor positions are assigned take home vehicles that are equipped with snow removal capabilities, chain saws, and other necessary repair/maintenance equipment. These positions are on called upon for snow removal, and removing downed trees and large dead animals from county maintained roadways after normal work hours, weekends, and holidays. Some of these positions have residences in Jerserydale, Greeley Hill, and Catheys Valley which allow for timely responses outside of the Mariposa town area.

Sheriff

The Sheriff, Undersheriff, Captain, Sergeant, and Deputy Sheriff positions are all assigned take home vehicles. These positions are on call twenty-four hours a day, seven-days a week for emergency responses. Having a marked Sheriff's car in the community also gives the constituents a sense of security and may ward off potential criminal acts. A Deputy Sheriff position is not allowed to take a vehicle home if they have not yet completed the required training or live out of county.
