

DEPARTMENT: Public Works/Engineering

BY: James J. Petropulos
PHONE: 966-5356

RECOMMENDED ACTION AND JUSTIFICATION:

Resolution authorizing the Sierra Vista Estates Zone of Benefit to borrow up to \$10,000 from the Revolving Zone of Benefit Fund 298 to chip seal Sierra Vista Way and Mountain Way Roads to mitigate dust emissions and provide a safer wearing surface; and, authorize the Public Works Director to bid and award the contract to the lowest responsible bidder.

The residents of the Sierra Vista Estates Zone of Benefit petitioned the Public Works Department to chip seal Sierra Vista Way and Mountain Way Roads to minimize dust emissions and reduce any health risk associated with dust inhalation. The estimated cost to chip seal Sierra Vista Way and Mountain Way Roads is approximately \$37,000. The fund balance for the Sierra Vista Estates Zone of Benefit is \$29,497. The Public Works Department believes that to complete this project could require up an additional \$10,000. The zone collects \$4,000 per year in assessment fees. The loan would be repaid over a period of ten years or less. No changes would be made to the current assessment. Interest will be charged at a rate of 5 percent or less. The chip seal would reduce the annual maintenance cost which will allow the zone to repay the loan and at the same time rebuild the fund balance. The expected service life of the chip seal is ten years.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

No previous action has been taken on this issue.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

- 1) Do not approve and continue annual grading and maintenance of the road.
- 2) Approve, but change repay period to a shorter time
