RECOMMENDED ACTION AND JUSTIFICATION:

Rename the Division to Solid Waste and Recycling with a representative logo to use the County emblem encircled by the "chasing arrows".

The importance for public identity for recycling is key to successful program development. The Solid Waste Division does not have a logo and also has evolved to include recycling in the nomenclature. This will help the County move forward in the goal achievement plan for the ADR (Alternative Diversion Requirement) and to meet the AB939 diversion requirements.

Recycling is important to the waste management industry in general and the addition of Recycling is key to Mariposa County waste diversion activities and goals.
