RECOMMENDED ACTION AND JUSTIFICATION:

APPROVE THE DISPLAY OF A CALIFORNIA STATE MINING AND MINERAL MUSEUM EXHIBIT VALUED AT \$112.00 AT THE MAIN LIBRARY BRANCH FOR A TWO MONTH PERIOD.

Approve the display of a California State Mining and Mineral Museum Exhibit valued at \$112.00 at the Red Cloud Library for a two month period. Beginning March 25, 2003 until May 25, 2003, the Library is requesting permission to exhibit these minerals in a locked case. The Library is fortunate to have the ability to house these minerals so that patrons and visitors alike may enjoy viewing the minerals and how they affect their daily life. The library staff has developed a selection of books for Adults, Young Adults, and Children to check out to be able to investigate this subject. The County Librarian is excited to create an outreach program and partnership with the Californian State Mining and Mineral Museum that this exhibit would establish.

Estimates for the minerals in the proposed library exhibit:
