

Attachment 3

General Plan Implementation Schedule

COMPLETION DATE	IMPLEMENTATION MEASURE	IMPLEMENTATION DESCRIPTION
SHORT-TERM 2009		
2010	4-2a(1)	Mariposa Planning shall review and recommend changes to the General Plan as a part of its annual report on Planning in the County of Mariposa. [On-going Implementation Measure]
2010	4-2a(2)	Mariposa County's Capital Improvement Program (CIP) shall be consistent with the General Plan. [On-going Implementation Measure]
2010	4-3a(1)	The Mariposa County Planning Department will report to the Board of Supervisors on the need for General Plan amendments at the beginning of each year. The Board of Supervisors will schedule a meeting to consider, as appropriate, General Plan amendments hearing dates for the public and general use. Per state law, the Board of Supervisors can amend the General Plan no more than four times per year. [On-going Implementation Measure]
2010	4-3a(2)	The fourth General Plan amendment hearing shall be held for the use of the Board of Supervisors to adopt updates and modifications to the General Plan as generated by the Annual Review. [On-going Implementation Measure]
2010	12-4a(2)	The Parks and Recreation Advisory Committee should meet with the School District at least once each fiscal year to learn of school capital facility proposals that may benefit from County participation or partnership. [On-going Implementation Measure]
SHORT-TERM 2010 - 2014		
2010	5-5a(1)	The Land Use element shall identify lands within which the economic uses for the production, extraction, or harvesting of food, fiber, timber, and minerals shall be the primary purpose. [On-going Implementation Measure]
2010	5-9a(1)	Outside Planning Areas, the maximum allowable density for residential development shall be one dwelling unit per five acres. [On-going Implementation Measure]
2010	5-10a(1)	Require that infrastructure for new subdivisions meet the General Plan's requirements for ready to build parcels. [On-going Implementation Measure]
2010	5-11a(1)	No implementation of the General Plan shall be enacted to force the amortization, closure, and relocation of any legally existing nonconformity-except signs and/or billboards and major transient rental management activities in the rural portions of Yosemite West. [On-going Implementation Measure]
2010	9-7a(3)	The County will cooperate with the MUSD, to the extent feasible and permitted by state law, to explore methods for securing adequate funding of new school facilities, which may include the development of local funding mechanisms as well as the utilization of state funds when available. For any project or subdivision where the MUSD determines that adequate school facilities are not available to serve the proposed development, the County will work with the MUSD in securing project-sponsored mitigation to the extent permitted by state law. [On-going Implementation Measure]

COUNTY OF MARIPOSA IMPLEMENTATION SCHEDULE

COMPLETION DATE	IMPLEMENTATION MEASURE	IMPLEMENTATION DESCRIPTION
2010 - 2014	10-5a(1)	Accommodate agritourism uses through changes in Agriculture zones.
2010	5-1a(2)	Land development regulations should respect the diversity of rural lifestyles allowing the right to use one's property. [On-going Implementation Measure]
2010 - 2014	5-1a(3)	Land development regulations shall define thresholds within which uses are complementary to the concept of rural character as defined by the General Plan and in regulations associated with the Area Plans.
2010 - 2014	5-2a(2)	Establish land development regulations defining permitted uses and establishing standards for close-to-services development.
2010 - 2014	5-4b(1)	Zoning shall include provisions to include zoning districts with flexible standards for defining business and industry uses in a changing economy.
2010 - 2014	5-4b(2)	Establish provisions to accommodate businesses in the home consistent with the purpose of the land use classifications. On-going Implementation Measure
2010 - 2014	5-4c(1)	Accommodate appropriate siting and development standards for recreation and resort uses within the County.
2010 - 2014	5-4c(2)	Standards shall be included that protect visual character related to: <ul style="list-style-type: none"> • viewsheds; • structure design, landscaping and scenic environment; • landform grading; • site development; and • lighting.
2010 - 2014	5-6a(1)	The Land Use Element shall identify lands within which the management of natural resources shall be the primary purpose.
2010 - 2014	5-8a(1)	The Board of Supervisors shall initiate discussions with representatives from public agencies to establish a formal collaborative cooperation and planning process.
2010 - 2014	5-12a(1)	Use the Timber Preserve zoning district within the Agricultural/Working Landscape and Natural Resource land use classifications to limit development in areas of identified potential timber resources.
2010 - 2014	4-4a(1)	The Board of Supervisors will develop a resolution to implement the policy regarding third party agency responses.
2010	5-1a(1)	Rural character for each of the planning areas is to be defined by Area Plans. [On-going Implementation Measure]
2010 - 2014	6-1b(1)	The Board of Supervisors should adopt an ongoing Economic Development Strategic Plan, including an assessment of assets, definition of target markets, specific implementation activities, assigned responsibilities, measurable objectives, and metrics to measure progress. The plan should contain provisions for destination resorts and hotel facility development.
2010	6-1b(2)	On an annual basis, the Board of Supervisors shall review accomplishments of Economic Development Strategic Plan. [On-going Implementation Measure]

COMPLETION DATE	IMPLEMENTATION MEASURE	IMPLEMENTATION DESCRIPTION
2010 - 2014	9-1a(2)	<p>In order to facilitate provision of needed long-range (2015-2025) improvements to state highways serving Mariposa County, and particularly to those state routes where projected capacity would be less than LOS "D," the County shall:</p> <ul style="list-style-type: none"> • Prepare and implement a program to evaluate Development Impact Fees for state highway intersection facilities needed to adequately service new growth. Such local funding would ensure the improvements are accomplished in the needed timeframe and would substantially benefit the economic development of the County. • Maintain a close working partnership with the State to solve state highway capacity deficiencies and funding limitations. <ul style="list-style-type: none"> • Monitor State activities in responding to the long-term transportation needs in the County and provide input to the state concerning the priorities for state highway improvements based on capacity below LOS standards, including timing of long-term Project Study Reports (PSR) for priority projects and their inclusion in the STIP in the needed timeframe.
2010 - 2014	9-1b(1)	The County should define the capacity of all roads.
2010 - 2014	9-1c(1)	The density of land for development purposes within an area shall be based on the capacity of the road divided by the average daily traffic of the permitted uses.
2010 - 2014	9-1e(1)	<p>The County shall incorporate standards and specifications applicable to roads under County jurisdiction, which will include:</p> <ul style="list-style-type: none"> • requirement that all roads serving road systems shall have an all-weather surface, • all new roads shall be constructed to fire safe standards, • all new non-County maintained roads shall be contained within mandatory road maintenance associations or zones of benefit, • all road construction shall be inspected and approved by the Public Works Department, and • road circulation within a system shall be designed to be interconnecting and cul-de-sac or dead-end roads shall be designed to be safe.
2010 - 2014	9-2a(1)	The County shall implement the Transit Plan.
2010 - 2014	9-2a(3)	Update the transit plan concurrently with the next scheduled update of the Regional Transportation Plan.
2010 - 2014	9-9a(1)	Prepare an emergency services plan.
2010 - 2014	10-1c(1)	Clearly define uses compatible with agriculture.
2010 - 2014	10-2a(3)	Standards shall be developed for issuance of development permits for substandard size parcels under Williamson Act contract.
2010 - 2014	10-2a(4)	Develop criteria for transfers of lands within the Agriculture/Working Landscape land use designation for lands within other land use designations which results in no net loss of like kind of agricultural lands (type and quality) and that demonstrates a benefit to agricultural lands.

COUNTY OF MARIPOSA IMPLEMENTATION SCHEDULE

COMPLETION DATE	IMPLEMENTATION MEASURE	IMPLEMENTATION DESCRIPTION
2010 - 2014	10-3b(1)	Develop and implement a program cataloguing sources of funding and resources providing technical and economic assistance for agriculture stewardship.
2010 - 2014	10-6a(2)	Review enforcement of Williamson Act provisions requiring onsite residents to be actively performing qualifying agricultural activities on all contracted property, including historic parcels, and require one Williamson Act contract for each parcel or for each group of contiguous parcels that are owned and managed as one unit.
2010 - 2014	11-1a(1)	The County shall establish guidelines to ensure development complementary to the scenic aspects of the County's rural character.
2010 - 2014	11-1a(2)	The County shall develop subdivision design standards for placement of structures on ridgelines and open hillsides.
2010 - 2014	11-1a(3)	Develop flexible site development and clustering to conserve designated scenic routes, views, and viewsheds.
2010 - 2014	11-1c(2)	Establish land use patterns that minimize impacts to air quality. On-going Implementation Measure
2010 - 2014	11-1d(1)	Include as part of the comprehensive development standards: <ul style="list-style-type: none"> • lighting standards, established by the International Dark Sky Association; and • require that building materials have a low reflective index.
2010 - 2014	11-2a(1)	Implement standards for water conservation that are consistent with State guidelines, including requirements for the installation and use of low-flow plumbing fixtures in all new construction, and for the use of drip irrigation systems and drought-tolerant or low water using landscaping (including retention of existing native plant material) in all multi-family, commercial, resort, industrial and public developments.
2010 - 2014	11-2d(2)	Provide for clustering of development that protects and avoid impacts to significant water resources.
2010 - 2014	11-3a(1)	Require a conditional use permit for mining activity except where a land use designation permits such use.
2010 - 2014	11-4a(3)	The County shall develop and enforce standards that reduce or eradicate invasive species affecting the agricultural and natural ecosystems.
2010 - 2014	11-5a(1)	Review and amend the County Grading Ordinance provisions for erosion control on all development projects.
2010	11-5a(2)	Review and update the provisions of the County Grading Ordinance as needed. [On-going Implementation Measure]
2010 - 2014	13-5a(1)	In cooperation with the County's tourism industry, implement a tourism marketing and advertising program using the Mariposa County brand designed to: <ul style="list-style-type: none"> • increase the length of visitor stay within the County, • expand the tourist season into shoulder seasons, and • incorporate special targeted activities for cultural tourism and agri-nature tourism. On-going Implementation Measures
2010 - 2014	16-12a(1)	Review and update the Mariposa County Emergency Management Plan every five years.

COMPLETION DATE	IMPLEMENTATION MEASURE	IMPLEMENTATION DESCRIPTION
2010 - 2014	16-1b(1)	<p>Enact amendments to the Mariposa County Code to implement fire safe standards. The ordinance(s) shall include the following requirements:</p> <ul style="list-style-type: none"> • Minimum construction standards or template (width, grade, and surfacing) for public roads, private roads, and private driveways sufficient for emergency vehicles access. • Requirements for a connecting circulation system within a road system using roads connecting through other parcels or developed secondary routes dedicated for emergency access. • Minimum standards for emergency water supply standards for firefighting purposes. • Standards for siting of flammables. • Signage and address standards providing easy identification of roads, driveways and buildings. • Site design specifications for buildings in locations of extremely high fire danger.
2010	16-1c(1)	Amend, if necessary, the County Subdivision code to ensure formal review of subdivisions by the Fire Agencies. [On-going Implementation Measure]
2010 - 2014	16-3a(1)	Adopt a strategic plan for fire safety incorporating the Standards of Cover for the Mariposa County Fire Department identifying current and future fire service areas and standards.
2010 - 2014	16-3a(2)	The strategic plan shall identify the long term capital improvements, rolling stock, equipment and supplies, and other major purchase items needed to maintain and improve fire safety.
2010 - 2014	16-3a(3)	The strategic plan shall identify thresholds and capital facility needs for each of the existing and future service areas.
2010 - 2014	16-3a(4)	Revise and update the "Standards of Cover" and its service area maps.
2010 - 2014	16-3b(1)	Enable facilities for "heavy" fire suppression helicopter operations at the Mariposa Yosemite Airport.
2010 - 2014	16-4a and b(1)	<p>Adopt a comprehensive County Flood Protection Ordinance that includes at a minimum the following requirements:</p> <ul style="list-style-type: none"> • All structures in flood hazard areas are constructed with materials and equipment resistant to flood damage. • All mobile homes shall be anchored by providing over-the-top and frame ties to ground anchors. • All new and replacement water systems shall be designed to prevent infiltration of floodwaters into the system. <p>On-site sewage disposal systems shall be located to avoid impairment to them or contamination from them during flooding.</p>
2010 - 2014	16-5a(1)	Enact an ordinance to require a hydrologic evaluation for subdivisions and development projects located within flood plains and drainage channels to ensure potential flood hazard is minimized.
2010 - 2014	16-5b(1)	Amend Title 16 of the Mariposa County Code, Subdivisions, to require subdivision parcels and development projects to provide at least one means of vehicular access not crossing a flood hazard area, or be constructed above the maximum flood elevation.

COMPLETION DATE	IMPLEMENTATION MEASURE	IMPLEMENTATION DESCRIPTION
2010 - 2014	16-5c(1)	Enact an ordinance requiring ponds and facilities for retaining water to be designed to prevent downstream flooding.
2010 - 2014	16-6a(1)	Amend Title 17 of the Mariposa County Code, Zoning, to require flood and drainage channels to be designed into landscaping plans.
2010	16-6a(2)	Land use maps shall maintain low intensity zoning in floodplain areas. [On-going Implementation Measure]
INTERMEDIATE-TERM 2018		
2018	5-7a(1)	Establish siting and development criteria for public facilities and sites.
2008	6-1a(1)	The County Administrative Officer will hire an Economic Development Coordinator within the County Government Completed
2018	6-2a(1)	The County should develop a clearly defined Mariposa County brand and supporting marketing program.
2018	6-2a(2)	The County shall implement the marketing program, successfully establishing the brand within target economic markets.
2018	6-3a(1)	The County Economic Development Strategic Plan should include a proactive business retention and growth program to be implemented during the short-term planning period.
2010	6-3b(1)	The County should support programs to assist in the acquisition and administration of grants as part of its economic development function. [On-going Implementation Measure]
2018	6-3b(2)	As part of the business retention and attraction program, the County should establish working relationships with local and regional financial institutions to serve as potential sources of financing for establishing and expanding businesses in the County.
2018	6-4a(1)	Meet with leaders from telecommunication companies serving the County to bring high-speed telecommunications to Mariposa County.
2018	6-4b(1)	Incorporate an assessment of potential businesses created by the University of California at Merced in the County's Economic Development Strategic Plan.
2018	7-2c(1)	Integrate the arts as part of the County's Economic Development Strategic Plan.
2018	7-2d(1)	The Planning Commission and the Mariposa County Arts Council may collaborate to prepare an ordinance addressing the review process, standards, and guidelines for public displays of art in County facilities.
2018	9-3a(1)	The County should adopt and implement the Bicycle, Pedestrian, and Equestrian Facilities Plan.
2018	9-3a(2)	The County shall update the Bicycle, Pedestrian, and Equestrian Plan to create a comprehensive system of transportation and recreation trails.
2018	9-6a(1)	Design, permit, and construct a co-composting facility.
2018	10-1a(1)	The Board of Supervisors should maintain a full-time agriculture commissioner and provide support within budgetary and staff constraints.

COMPLETION DATE	IMPLEMENTATION MEASURE	IMPLEMENTATION DESCRIPTION
2018	10-3a(1)	The Agriculture Commissioner and Agricultural Advisory Committee should create a document identifying successful practices used in the County.
2018	10-4a(1)	The agricultural resources program should include support for identifying a market for heritage crop varieties.
2010	10-5b(1)	The Economic Development Strategic Plan should include strategies for agritourism. [On-going Implementation Measure]
2010	10-5b(2)	Coordinate with the private sector to implement an economic development strategy for agriculture. [On-going Implementation Measure]
2018	11-1a(4)	The County shall develop guidelines for non-single family development within County highway corridors to preserve scenic resources. The guidelines will be developed into a scenic views plan for the preservation of visual quality along the County's highways. The plan will identify resources, views, and programs, while protecting the rights of property owners.
2018	11-1c(3)	<p>Implementation Measure 11-1c(3): Implement a program that minimizes impacts on and/or improves air quality that include but are not limited to:</p> <ul style="list-style-type: none"> • Encourage maximized solar access where feasible and consistent with the maintenance of scenic values in new subdivision designs to optimize energy efficiency; and • Road improvement projects such as paving unpaved roads which improve air quality.
2018	11-2c(2)	Designate watershed areas of surface water systems where such systems and their proposed watershed areas serve or are capable of serving as a potable water source.
2018	11-2d(1)	Implement requirements for minimum building and grading setback lines from waters of the State (i.e., perennial streams and environmentally significant wetlands), that are adequate to protect stream, riparian, and wetland resource values.
2018	11-3a(2)	Incorporate standards for the exploration, development, and reclamation activities associated with mineral resource projects.
2018	11-4a(1)	<p>The County will implement a Mariposa County Environmental Conservation Program. The Program shall include development standards and programs conserving, protecting, and mitigating the impacts on:</p> <ul style="list-style-type: none"> • significant and sensitive habitat including wildlife migration corridors, • breeding and nesting areas (as seasonally appropriate); • known occurrences of special status animal species; • riparian habitat around bodies of water and along watercourses and seasonal drainages; • known occurrences of special status plant species, and • significant and sensitive plant communities including oak woodlands and heritage tree
2018	11-4a(4)	The County shall publish landscaping guidelines for the use of site-appropriate native plant species.

COMPLETION DATE	IMPLEMENTATION MEASURE	IMPLEMENTATION DESCRIPTION
2018	12-1b(2)	The County shall adopt performance standards for maintenance of parks and recreation facilities preventing premature deterioration.
2018	12-3a(1)	The Parks and Recreation Department should implement youth programs for both "after school" and times of the year when school is not in session.
2018	12-3a(2)	The Public Works Department/Parks and Recreation Division should identify a broad range of recreation opportunities and facilities needed to serve the County's diverse population.
2018	12-4a(3)	The County should explore with Federal land management agencies issues of mutual concern regarding the effects of agency and County policies on their respective users and resources.
2018	13-2a(1)	The County should provide ongoing regional tourism programs for residents and visitors defining opportunities for extended side trips within the County.
2018	13-4a(1)	Create a coordinated County information program to identify points and routes of interest for regional tourists.
2010	13-4b(1)	Maintain a visitor center in the Mariposa Town Area designed to provide information about all County visitor assets. [On-going Implementation Measure]
2018	14-1a(1)	The Historic Sites and Records Preservation Committee should be reorganized to meet the requirements for a local Historic Preservation Commission recognized by the Department of Interior.
2018	14-2a(1)	Update the County historic sites inventory.
2018	14-2a(2)	The Board of Supervisors shall include qualifying sites and structures on the list of Mariposa County Historic sites.
2018	14-3a(1)	Seek options through partnerships with private organizations, local financial institutions, and by the use of Federal and State grants and tax incentives.
2010	14-4a(1)	The County shall prepare and adopt Historic Design Review Guidelines for use within Districts. [On-going Implementation Measure]
2018	14-5a(1)	The County, in cooperation with the Historic Sites and Records Preservation Commission and local Planning Advisory Committees, shall identify new or expanded historic districts for nomination to the California Register of Historical Resources or the National Register of Historic Places. This may include, but not be limited to, cemeteries.
2018	15.1a(1)	A noise ordinance should be considered to define the standards for the County.
2018	15.1a(2)	County development standards shall require means of controlling noise at its source as opposed to imposing mitigation as the means of offsetting noise impacts.
2018	15.1a(3)	The County shall develop and implement standards that will reduce vibration from construction activities to a level that is less than perceptible at adjacent property lines.
2018	15-2c(1)	The County shall assess development activities and determine whether the Noise Element shall be updated or whether to undertake studies to create noise contours and noise exposure indices.

COMPLETION DATE	IMPLEMENTATION MEASURE	IMPLEMENTATION DESCRIPTION
2018	16-1a(1)	Establish appropriate standards for development projects wishing to provide alternative, on-site fire protection services.
2018	16-1b(2)	<p>Implement the countywide Wildfire Hazard Safety Plan, which includes standards for fire prevention, fuel management, and fire suppression, including but not limited to the following:</p> <ul style="list-style-type: none"> • Requirements for development in areas with high and very high fuel hazards, including adequate emergency access and water supply; "defensible space" standards; and encourage the use of fire-resistant exterior construction materials, such as fire safe roofing and fire-resistant plants. • Wildland fire management activities such as controlled burning, fuel removal, vegetation management, and firebreaks. • Specific fire protection and prevention requirements for hillside, open space, and rural area development. • Public wildfire safety education through the Mariposa County Fire Safe Council (MFSC) or other appropriate agency or group. • Standards specific to geographic areas in the County based on fire hazard potential. <p>Timing: Intermediate-term</p>
2018	16-4c(1)	The update to Title 17, Mariposa County Code, Zoning shall include a dam inundation overlay district.
ONGOING		
Ongoing	4-1a(1)	Conformance with guiding principles is to be used as the foundation for interpreting General Plan goals, policies, and implementation measures.
Ongoing	4-1a(2)	When a conflict exists between the General Plan and an enacted ordinance, regulation, or a policy of the Board of Supervisors, the General Plan shall be the prevailing language.
Ongoing	4-1b(1)	The Planning Agency of Mariposa County is authorized to utilize appropriate judgment in determining the meaning of the General Plan policy.
Ongoing	4-1b(2)	The Director of Public Works shall be the County official empowered to define road systems consistent with the current and future transportation patterns as needed for implementation of the General Plan.
Ongoing	5-2a(1)	Development shall grow outward from Planning Areas and Residential Areas with available services.
Ongoing	5-2a(3)	The County shall prevent premature urbanization of the planning study area of the Mariposa Town Planning Area until the Mariposa Town Plan is updated.
Ongoing	5-2a(4)	No urban expansion shall occur within the Mariposa Town Plan Study Area unless water and sewage disposal are available from a centrally coordinated and managed system.

COMPLETION DATE	IMPLEMENTATION MEASURE	IMPLEMENTATION DESCRIPTION
Ongoing	5-3a(1)	<p>Prior to the consideration of an application to change a land use classification into a non-residential land use classification, the subject property shall front on or shall have direct access to a maintained road.</p> <ul style="list-style-type: none"> • This is a prerequisite of the application and shall not replace any project-specific conditions that may be required. • A paved maintained road requirement shall not be imposed when the requested land use classification is "Agriculture/Working Landscape" or "Natural Resources"
Ongoing	5-3a(2)	Prior to consideration of a change of zoning district from residential into a commercial or industrial zoning district, the subject property shall be found to be located on a maintained road.
Ongoing	5-3a(3)	No subdivision shall be approved unless it is found that there is adequate road capacity to serve the new traffic.
Ongoing	5-3b(1)	No subdivision shall be approved unless a mandatory contribution road maintenance mechanism is created for roads within the subdivision that are not within the County-maintained road system.
Ongoing	5-4a(1)	Commercial, healthcare, financial, and other service businesses intended to serve the greater County population, a regional or greater customer base, shall be located only within Town Planning Areas.
Ongoing	5-4a(2)	Commercial, healthcare, financial, and other service businesses intended to serve the neighborhood needs may be located in Planning Areas and in the Rural Economic land use classification.
Ongoing	5-4a(3)	All community plans shall include land area to accommodate local rural home industries that out-grow their home-based location.
Ongoing	7-1a(1)	Support the Mariposa County Arts Council in advising the Board on the arts.
Ongoing	7-2a(1)	The County should support community-based programs that increase awareness of the arts.
Ongoing	7-2b(1)	The County should include the arts in its ongoing marketing and promotion programs.
Ongoing	9-1a(1)	A publicly maintained road with an LOS of "A" through "D" shall be deemed to have adequate capacity to serve the needs of the road systems.
Ongoing	9-1c(2)	A traffic study prepared by a professional appropriately licensed in the State of California shall be required if traffic calculations show that the proposed project will significantly increase traffic volumes.
Ongoing	9-1c(3)	The capacity of a county road must be assessed for its capability to meet existing and new uses when the aggregate potential development will increase the utilization of the road by more than 25%.
Ongoing	9-1d(1)	No subdivision or discretionary project shall be approved if the traffic generated by the proposed project will exceed the capacity of the road systems which provide access from the nearest County major collector or State highway unless mitigation is required.
Ongoing	9-2a(2)	Annually report on implementation of the Transit Plan.
Ongoing	9-4a(1)	The County shall continue systematic implementation of the Airport Master Plan.
Ongoing	9-4b(1)	No projects shall be approved within the Airport Land Use Planning Area unless consistent with the Plan.
Ongoing	9-5a(1)	No project shall be approved unless it is shown to have access to an approved source for wastewater treatment and disposal and a potable water supply meeting Health Department requirements.

COMPLETION DATE	IMPLEMENTATION MEASURE	IMPLEMENTATION DESCRIPTION
Ongoing	9-7a(1)	The Board of Supervisors shall meet periodically with the Board of Trustees for the school district to coordinate capital facility planning.
Ongoing	9-7a(2)	County Staff shall work with school district administration to share information and assist in facilities development.
Ongoing	9-8a(1)	County Staff should maintain technical and planning liaison with private utilities to ensure appropriate infrastructure accomplishing economic development goals.
Ongoing	9-9a(2)	Implement the emergency services plan.
Ongoing	10-1b(1)	The Agricultural Advisory Committee shall expand its role to provide recommendations to the Board of Supervisors on all agriculturally-related issues and resources.
Ongoing	10-1b(2)	The County shall coordinate with the Mariposa Unified School District to enhance the District's agricultural educational programs, including its Rural Challenge, Future Farmers of America (FFA), or other similar programs.
Ongoing	10-2a(1)	<p>Areas of the General Plan classified as Agriculture/Working Landscape and proposed for reclassification to a Residential, Planning Area, or Natural Resource land use classification will be reviewed against the following criteria. No land within the Agriculture/Working Landscape land use classification shall be changed to a Residential, Planning Area, or Natural Resource land use classification unless the Board of Supervisors adopts all of the following findings:</p> <ul style="list-style-type: none"> • The subject property is not within an area in which the majority of the surrounding parcels are currently being used or historically have been used for agriculture, timber, or mineral purposes. • The soils, water rights, topography, terrain, and location are not suitable as an economic production unit of sufficient quality for commercial agricultural production. • There are no other lands within the proposed land use classification available for the proposed or similar project. • The characteristics and size of the subject properties make it unsuitable for open space, conservation easements, or other preservation opportunities which further implement the goals and policies of the General Plan. • The subject property has not been identified in the County General Plan or any area plan as a location with characteristics worthy of preservation within the Agriculture/Working Landscape land use classification.
Ongoing	10-2a(2)	Lot line adjustments in the Agriculture/Working Landscape land use classification, including Williamson Act contracted parcels, shall result in parcels which are in compliance with the underlying land use designation, including minimum parcel size.
Ongoing	10-3a(2)	The County shall maintain a commitment to programs for invasive species eradication.
Ongoing	10-6a(1)	Prohibit the construction of residences on parcels that are subject to a Williamson Act contract unless they comply with the terms of a Williamson Act contract.

COMPLETION DATE	IMPLEMENTATION MEASURE	IMPLEMENTATION DESCRIPTION
Ongoing	11-1b(1)	The County should participate in conservation management planning with Federal and State and other public and private agencies.
Ongoing	11-1c(1)	The County will implement Federal and State air quality regulations to minimize air quality impacts and improve air quality.
Ongoing	11-1c(4)	<p>The County shall cooperate with the Air Pollution Control District (APCD), or successor agency, to:</p> <ul style="list-style-type: none"> • Work with local public utility providers, and the private sector to encourage the development and implementation of educational and incentive programs to encourage energy conservation, house weatherization, and solar energy use; • Work with the Mariposa County Department of Public Works and homeowner associations to encourage the development and implementation of educational and incentive programs for composting, mulching, grinding, cogeneration, feedstocks, and chipping in lieu of outdoor burning; • Work with appropriate agencies to develop programs to maximize the participation of employers in employer-operated van pool and/or ride sharing for employees and mass transit service for both employers and customers/visitors; and • Work with the school districts to replace existing buses with less polluting models. <p>Timing: Ongoing</p>
Ongoing	11-2a(2)	Cooperate with the Mariposa Public Utility District and other wastewater generators in implementing programs for reuse of treated wastewater.
Ongoing	11-2a(3)	Cooperate with the domestic water system operators and public water purveyors in implementing programs to eliminate water loss due to leakage in pipes, ditches or other conveyance facilities.
Ongoing	11-2b(1)	Review development designs to ensure compliance with Federal and State water quality regulations and to ensure that the project does not discharge contaminated water.
Ongoing	11-2c(1)	Outside Town Planning Areas and Rural Centers, maintain low intensities of development in order to protect the capacity of watersheds.
Ongoing	11-4a(2)	Site development and grading review should minimize the removal of native trees and groves of trees.
Ongoing	11-4a(5)	The County shall utilize collaborative planning efforts to coordinate local efforts to eradicate invasive plant species.

COMPLETION DATE	IMPLEMENTATION MEASURE	IMPLEMENTATION DESCRIPTION
Ongoing	11-4a(6)	<p>The County shall require site surveys in compliance with Federal and State regulations as part of environmental review to determine:</p> <ul style="list-style-type: none"> • The presence or absence of endangered species and their habitat; • The presence or absence of threatened or rare wildlife and plant species and their habitat; • The presence or absence of breeding raptors and migratory birds; • The presence or absence of sensitive native plant communities; • The presence or absence of native wildlife migration or travel corridors; and • The presence or absence of jurisdictional wetland or other waters of the U.S.
Ongoing	11-4a(7)	<p>The County shall record the data collected from the required site surveys to create a comprehensive map of environmental resources in Mariposa County. The map shall include but not be limited to vegetation communities with associated habitats for sensitive wildlife species.</p>
Ongoing	11-4a(8)	<p>During project review and environmental analysis, the County shall comply with Federal and State regulations to require measures that:</p> <ul style="list-style-type: none"> • Protect endangered species and their habitat; • Protect threatened or rare wildlife and plant species and their habitats • Protect breeding raptors and migratory birds; • Protect and avoid to the extent feasible sensitive native plant communities; • Protect and avoid to the extent feasible native wildlife migration or travel corridors; and • Protect and avoid to the extent feasible jurisdictional wetland or other waters of the U.S.
Ongoing	12-1a(1)	<p>The County shall ensure parks and recreation facilities are distributed in reasonable proximity to the neighborhood, community, or regional populations they are intended to serve.</p>
Ongoing	12-1b(1)	<p>Parks shall be designed and developed in a manner to reduce long-term operations and maintenance cost.</p>
Ongoing	12-2a(1)	<p>The Parks and Recreation Advisory Committee shall report annually on the implementation of the Parks and Recreation programs.</p>
Ongoing	12-4a(1)	<p>When other agencies propose to develop park or recreation facilities, the County should participate when a local recreation need can also be served.</p>
Ongoing	12-5a(1)	<p>The Parks and Recreation programs shall identify short-, intermediate-, and long-term revenue sources.</p>
Ongoing	13-1a(1)	<p>The County shall collaborate with Federal agencies creating multiple use and public education policies supporting regional tourism and protecting public lands.</p>
Ongoing	13-1b(1)	<p>The Board of Supervisors should support programs to maintain and increase multiple- use on public land to increase regional tourism opportunities.</p>
Ongoing	13-3a(1)	<p>The County should collaborate with Federal and State agencies to develop trail-head facilities and other public access points to public lands.</p>

COMPLETION DATE	IMPLEMENTATION MEASURE	IMPLEMENTATION DESCRIPTION
Ongoing	14-1a(2)	The Planning Director shall be designated the County's Cultural Resources Coordinator/Historic Preservation Officer.
Ongoing	14-1a(3)	Retention of historic records shall be within the purview of the Historic Sites and Records Preservation Commission.
Ongoing	14-2a(3)	Analysis of qualifying historic sites and structures shall be undertaken in conformance with appropriate standards of the California State Historic Preservation Office and the standards of the National Trust for Historic Preservation.
Ongoing	14-4a(2)	Within County-identified historic districts, all exterior construction, renovation, rehabilitation, or restoration shall be subject to design review approval.
Ongoing	14-4a(3)	Demolition of County-identified historic structures shall require review from the Historic Sites and Records Preservation Commission.
Ongoing	14-6a(1)	Prior to the approval of a demolition permit for any historic site, structure, or cultural place, the Historic Sites and Records Preservation Commission shall review the application pursuant to CEQA and determine whether alternatives to the proposed demolition or destruction shall be required.
Ongoing	14-6a(2)	Prior to the approval of a demolition permit or grading permit for a cultural place the Southern Sierra Miwuk Nation Consultation Committee shall review the application pursuant to CEQA and determine whether alternatives to the proposed demolition or destruction shall be required.
Ongoing	14-7a(1)	Mariposa County shall invite the participation of representatives of the Native American community in the review of discretionary projects for which there is a likelihood of potential archaeological artifacts and cultural places.
Ongoing	15-2a(1)	The State building standards for the proper insulation of new dwellings for noise reduction shall be enforced.
Ongoing	15-2b(1)	<p>Where proposed non-residential land uses are likely to produce excessive noise levels at existing or planned noise-sensitive uses, an acoustical analysis shall be required as part of the project review process. An acoustical analysis should:</p> <ul style="list-style-type: none"> • be prepared by a person qualified in environmental noise assessment and architectural acoustics, • include representative noise level measurements to adequately describe local conditions, • recommend appropriate mitigation to achieve compliance with the adopted policies and standards, • estimate noise exposure after the prescribed mitigation measures have been implemented, and describe a post-project mitigation measure effectiveness assessment program.
Ongoing	15-2b(2)	Noise created by new transportation noise sources shall be mitigated.

COMPLETION DATE	IMPLEMENTATION MEASURE	IMPLEMENTATION DESCRIPTION
Ongoing	15-2b(3)	<p>The County shall require appropriate noise reduction measures for outdoor public events. Such measures may include:</p> <ul style="list-style-type: none"> • preparation of a noise impact analysis by an appropriate licensed professional; • identification of best sound management practices for avoiding impacts; • restrictions on the level of amplification of sound systems; • conditions on the start, finish, and duration of the event; limitations on the number of participants; and a requirement to install temporary noise reduction devices or barriers.
Ongoing	16-10a(1)	No land development incompatible with the airport land use plan shall be permitted in the airport's area of influence.
Ongoing	16-11a(1)	Enforce the requirements of the County's Comprehensive Hazardous Waste Management Plan.
Ongoing	16-12a(2)	Undertake full operation emergency situation drills and training periodically.
Ongoing	16-2a(1)	Cooperate with the CDF in providing advice to landowners on vegetation management programs keeping forest fuel values at acceptable levels.
Ongoing	16-2b(1)	Continue to work with the Mariposa County Fire Safe Council or other appropriate agency or group as a major avenue for educating residents and coordinating citizen efforts in fire prevention.
Ongoing	16-5a(2)	Subdivision parcel and final maps and building permit site plans shall provide for on-site detention for normal storm water flows in excess of the capacity of natural drainage courses receiving runoff from the development.
Ongoing	16-7a and b(1)	Site inspections and maps (topographic, soils and geologic) will be used to identify geologic hazard areas (e.g., landslide-prone areas) in the County. The maps will be retained and available in the County Planning Department.
Ongoing	16-7a and b(2)	The County Building Official will review plans for new construction in geologic hazard areas and will determine whether engineering studies, including structural and soils analyses, are required prior to issuing permits for construction in these areas.
Ongoing	16-8a(1)	New development projects in or near a seismic risk area (fault zone) or geologic hazard area shall be discouraged or designed to such standards as to minimize or eliminate such risk.
Ongoing	16-8b(1)	Public facilities shall be sited to avoid known seismic dangers and shall be constructed to meet seismic safety requirements of the Uniform Building Code.
Ongoing	16-9a(1)	Review development and subdivision proposals to avoid building sites in areas subject to secondary seismic effects.
